

## Global Venture Development (Intern)

**Kuala Lumpur, Malaysia**

**qemura+ ventures** is young internet startup incubator headquartered in Kuala Lumpur and focused on Southeast Asia.

To strengthen our operations, we are looking for Business Development interns. Become part of building exciting internet startups including social media or e-commerce companies in the region and learn firsthand how to become an internet entrepreneur. This is a unique opportunity to gain valuable experience at a fast-paced, rapidly expanding start-up company. You will be able to use your initiative and creativity to support our expansion, and gain a working knowledge of all aspects of the business.

### **Your profile:**

- Excellent academic grades and accomplishments in the field of Business, Economics or Management Studies (other majors welcome as well, show us your entrepreneurial spirit).
- Entrepreneurial mindset: Pragmatic, hands-on, visionary, analytical and ambitious.
- Positive attitude, energetic approach and self-motivation are all essential.
- Experience at Top Tier Consultancy or Investment Bank is a plus.
- Be able to adapt to new cultures and challenges.
- Background in lion taming, shark diving or magic considered an asset.

### **Our offer:**

- Work independently and manage your own projects.
- 3-6 months internship.
- 1,000 USD/month
- Shape the online landscape of Southeast Asia's upcoming countries.
- Report directly to the managing director.
- Opportunity of leading a small team.
- Start date: ASAP

**Please note, exceptional candidates who excel during the program may be eligible for a full time position.**

### **What you should do:**

Please send your application including CV, current grades record and earliest starting date with the subject "Business Development - Internship" to [jobs@qemura.com](mailto:jobs@qemura.com).

Only candidates who are being short listed will be contacted for an interview.
