

Open your mind. LUT.

Lappeenranta University of Technology

Dear partner,

We invite students of your university to attend LUT Summer School 2013 at Lappeenranta University of Technology (LUT)

15 July – 11 August 2013, Lappeenranta, Finland.

Lappeenranta University of Technology offers high-level education in the fields of technology and business, making studies at LUT Summer School a unique learning experience. LUT Summer School provides with an exceptional opportunity to combine high-quality learning with an unforgettable summer experience in an international environment.

LUT Summer School is a four-week academic event offering eight independent modules:

- Marketing in a High Technology Context
- International Business
- Innovation Management in New Product Creation
- Advanced Course in Strategic Management
- Systematic Approach to Inventive Thinking
- Game Design – from Concepts to Implementations
- Solar Economy
- Bioenergy and Biorefineries in Forest Industry.

Students can take a single module or combine modules, providing the schedules do not overlap and the prerequisites for attendance are met. The program is designed for final-year Bachelors' and Masters' students in the fields of technology and business. All courses are lectured in English; applicants are therefore expected to have a good level of English proficiency. Lecturers of LUT Summer School 2013 are drawn both from the academic staff at LUT and internationally recognized guest lecturers from **San Francisco State University, the University of Manchester, SKEMA Business School, and St. Petersburg Graduate School of Management.**

The application schedule is **1 November 2012 – 31 March 2013.**

LUT Summer School 2013 fees are:

- Tuition fee: 495 EUR (incl. printed course material, lunch, social program)
- Accommodation: for 3- 4 weeks 300 EUR / for 1 – 2 week(s) 250 EUR

Visit Russia – a trip to Russia's metropolis, St. Petersburg, will be arranged during the LUT Summer School. The trip, including visa to Russia, is separately participant funded.

Find more information about summer school and applications (including the online application form) at www.lut.fi/summerschool. We appreciate if the information about our summer school will be forwarded to your students.

Best wishes,
