

Entrepreneur in Residence – Internship | Kuala Lumpur, Malaysia

Nova Founders supports promising online business models worldwide. We help young Internet companies towards global growth and have successfully built out a range of multinational businesses with teams across multiple geographies. Nova Founders works with passionate and capable entrepreneurs, and provides the on-going financial, operational, marketing and development support they need to be successful.

Join us and work with us on the next amazing internet ventures!

Your Tasks

- You will support strategic and daily business in one of our portfolio companies, all of which are international businesses
- You will take over your own project, where you will be responsible for; i.e. leading a team or working out a strategic plan in the areas of e.g. business development, online marketing etc.
- Be part of a highly entrepreneurial and international team and take part in creating the next leading internet venture
- You will work on the company's further improvement and development while working together closely with the CEO – thereby acquiring insight into the entrepreneurial life

Your Profile

- You have studied or are studying Business Economics or Computer Sciences or equivalent and your results belong to the best of your class
- You have an entrepreneurial mindset and have some experience in project/ entrepreneurial work, e.g. student jobs, internships or own venture
- You have a keen interest in the start-up world

What You Can Expect from Us

- Learn and work with some of the best entrepreneurs in the world. We give you insights to all relevant aspects of founding a company and the opportunity, to build up a huge, meaningful network
- A dynamic and highly motivated team with flat hierarchies
- Great working atmosphere in an international environment
- Challenging and diversified tasks with direct responsibility

Other

- Minimum 4 months, ideally longer
- Starting date: immediate

Apply
