Goal: Bringing zoomsquare successfully onto the market – this summer!

**Summer internship at
zoomsquare - the real estate search engine**
(Juli-September, 1-2 months, flexible hours)

In June it's getting really exciting, we start the Open Beta stage of our new real estate search engine! Get a unique startup experience: marketing in all variations, usability tests, lean product development, social media & much more, all in one internship!

What makes us stand out from the others?

Like Google we scan the whole web for real estate ads. You can search through all ads we track with all the criteria that are important to you. Get the zoomscore for every single ad, telling you how well a flat or house matches your personal needs.

What's your job at zoomsquare?

Do what you're best at!

Join our creative team, develop new product and marketing ideas and get as close as possible to the action when we're launching!

What do you get from us?

- Founder knowledge at first hand
- Excellent contacts to and networking possibilities in the Austrian startup community
- Great working climate also due to flat hierarchy and a highly motivated team
- Feedback for your own ideas and an environment to realize them
- A hat – you pick your role and are fully responsible for that area
- Gain insights into the daily business of a striving startup – this means learning something new every day and in diverse areas
- ...and the opportunity to become a fixed part of the zoomsquare team after finishing your internship!

What do we expect from you?

- You have an excellent command of German
- You are a Digital Native (smartphone/ laptop/tablet are part of your life)
- You are totally into startups (at least know one startup event)
- You are full of ideas, motivation and drive
- You like taking charge of tasks and you really want to make a difference
- You are curious and willing to learn.

If you are interested in joining our team, send us a short letter of motivation & your CV to barbara@zoomsquare.com

We're looking forward to getting to know you!
