

REAL-WORLD PROJECTS.

even as an intern.

Procter & Gamble is one of the largest and most successful consumer goods companies with world-wide sales of US\$ 84,2 billion. With 121.000 employees we market more than 300 brands including Gillette / Braun and Wella.

We offer exciting, challenging internships with business responsibility from day 1 and best-in-class coaching & training all year round in the following functions:

- Customer Business Development / Sales
- Marketing / Brand Management
- Finance & Accounting
- Engineering & Manufacturing
- Purchasing
- Supply Network Operations
- Research & Development
- Consumer & Market Knowledge
- Information & Decision Solutions / IT
- Human Resources

We are looking for students as of their 3rd semester of study. You should already have practical and international experience, e.g. by former internships and semester abroad. You need to possess strong communication and leadership skills and an outstanding analytical mind. See for yourself what P&G is all about and apply online via <http://we.experiencepg.com>.
